Vista Unified School District*

Dear Business Owner/Manager:

I am writing to you on behalf of the Rancho Buena Vista High School Ranch Hands, the parent booster organization for the RBV Band and Pageantry. The Ranch Hands is a 501c3 tax-exempt volunteer organization whose purpose is to provide logistical and financial support to the instrumental music department at Rancho Buena Vista High School.

Our program has enjoyed a rich history of success. Our student musicians have served all over the world as musical ambassadors for the North County San Diego region, from performances at Disneyland, to the Olympic Torch relay in Australia, to England, Scotland, and even the prestigious Tournament of Roses Parade in Pasadena.

Unfortunately, reductions in the school district budgets make the funds we receive to run our program smaller every year. In order to maintain a world-class organization, our parent volunteers spend countless hours working to support the students and to raise the money we need to ensure the legacy of excellence in education and musicianship built by the RBV Band and Pageantry continues.

That is where you come in. Through the generous support of our community partners, we are able to continue to provide an outstanding music education experience for our students. Cash donations go directly to our general fund to help purchase and maintain equipment and uniforms, pay entry fees for tournaments and festivals, and pay for the specialized clinicians and coaches who work with our students. In-kind donations of goods or services are used to either support fundraising activities (for example, the silent auction at our Pops Gala) or they go directly to support student activities.

Because we are a non-profit organization, your donation may be tax-deductible. Any donation you can provide is greatly appreciated.

Thank you for your consideration.

Sincerely,

Tina Knight
President
RBV Ranch Hands
